Term 3, Week 8 2020

Principal's Message

Dear Rosebank Community,

For most children, school has started back now and the children are enjoying being back with their friends. I hope you and your family are coping with the additional challenges that Alert Level 2.5 is placing on us and remember if you ever require support for ANYTHING - we can and will help you - please ask us if this is the case.

Because of the current COVID situation, a number of school-based events have had to be postponed or cancelled - assemblies will be off the agenda for some weeks to come and there will be no interschool sports this term.

A further reminder that school finishes for the end of term 3 on Friday 25 September at 1pm.

Take care of yourselves and each other.

Paul Pirihi

Principal

Breakfast Club

Breakfast Club has resumed, running every Monday to Wednesday, 8.10–8.50am from the school Community Hub. While we're at Covid alert level 2, we'll only be serving toast and other food that can be taken away. All measures will be taken to ensure your tamariki's safety and ours. Once we're back to level 1 we will resume our usual sitdown breakfast. All students and whanau are welcome.

Children's Community Dental Clinic

This is to inform you about the service delivery for the Children's Community Dental Service (Auckland Regional Dental Service). We have now commenced our COVID-19 Recovery Plan. This means we need to firstly offer appointments to children who have been identified as requiring treatment and those waiting the longest for their routine examination. We also offer an acute service for any child who is experiencing dental pain. In the meantime, if your child is in pain or you have immediate concerns with their teeth, please phone 0800 TALK TEETH (0800-8255-83384). Our staff will be available to discuss your concerns with you directly, and will offer your child an appointment if required.
